## Patient Portal

Convenient, safe, and secure patient connectivity website allows you to communicate with your provider's office anytime—day or night.

Our goal is to be your first choice in patient healthcare by providing convenience and accessibility to our practice. **The Patient Portal offers our patients online health services that include the ability to request appointments, request medication renewals, access medical information, and access laboratory results.**

Your medical information is available to you on this website and is secure. Our company and its affiliates, suppliers, and other third parties mentioned on this site are neither responsible nor liable for any direct, indirect, incidental, consequential, special, exemplary, punitive, or other damages (including, without limitation, those resulting from lost profits, lost data, or business interruption) arising out of or relating in any way to the site, site-related services and products, content, or information contained within the "site," and/or any hyperlinked website, whether based on warranty, contract, tort, or any other legal theory, and whether or not advised of the possibility of such damages. Your sole remedy for dissatisfaction with the site, site-related services, and/or hyperlinked web sites is to stop using the site and/or those services applicable law may not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
